Since 1994 Orthocraft has been fulfilling our mission to "provide the highest quality and most technologically advanced Orthotic, Prosthetic, and Pedorthic care available in the New York area."

- We fabricate and assemble all prosthetic devices in our facility. This allows for expedited delivery, reduced wait time, and the highest levels of quality control.
- Our certified practitioners work closely with physicians and therapists to obtain patients optimal degree of function.
- We have several orthotists, prosthetists, and pedorthists available to deal with your most complex cases.
- We are contracted with most insurance companies in the New York area.
- We also offer home/office for your patients with mobility issues.
